Corporate Overview

Sea Blue Shipyard Ltd. is an ISO 9001:2015 certified shipyard based in Kochi, established in 2003, registered under the Companies Act, 1956. Our yard is built upon 4 acres of land in Vypin. We operate six licensed slipways ideal for hauling up and launching medium-sized vessels, with wharfage for afloat repairs of vessels up to 120 meters long and 6.0 meters draft.

SBSL is located directly opposite the Vallarpadam International Container Transshipment Terminal, close to Cochin Shipyard Ltd., Cochin Port Trust, the International Ship Repair Complex, the Single Point Mooring Project, and the International Bunkering Terminal — all within a 3km radius.

SBSL opened a branch in Goa in 2009, executing major projects including the erection of a ship lift at Goa Shipyard Ltd. on subcontract from M/s. Bosch Rexroth, Netherlands, and complete teakwood decking of INS Sudarshini. We regularly undertake dry dock repairs at GSL, including dock block preparation and docking assistance, and maintain around 60 technical personnel at our Goa branch.

As part of our expansion programme, the company is acquiring an additional 1.5 acres of land adjacent to the present yard, bringing the total to 4 acres for yard facilities — enabling construction of a new dry dock measuring 130m x 20m x 8m.

Certifications

SBSL maintains a firm policy of effective management and continuous improvement across Health, Safety, and Welfare, complying with ISO specifications and maintaining safe practices across all working areas. We are licensed to construct and repair passenger vessels, cargo vessels, fishing vessels, ferry crafts, barges, dredgers, and houseboats under Kerala Inland Vessels Rules.

MESSAGE FROM THE CHAIRMAN s MANAGING DIRECTOR

23rd Annual General Meeting of Financial Year 2025–26

Dear Shareholders,

It gives me immense pleasure to present to you the progress of Sea Blue Shipyard Limited, and more importantly, the transformation that our Company has undergone over the recent period.

The last few years have been a journey of transition — from strengthening our foundation to creating a more disciplined, professionally managed and growth-oriented shipyard capable of undertaking larger and more complex assignments.

It is important, therefore, to view our progress through three lenses: where the Company stood, the strategic changes introduced, and the results that have followed.

THE JOURNEY IN ONE LINE
From strengthening the foundation to building the capability, scale and confidence required for the next phase of growth.

The Transformation at a Glance

Key Indicator	FY 2023–24	FY 2024–25	FY 2025–26	Direction
EPS	(₹0.89)	₹0.83	₹2.29	↑
Revenue from Operations	₹18.44 Cr	₹24.23 Cr	₹51.02 Cr	↑
Net Profit	₹3.54 Cr	₹3.33 Cr	₹9.14 Cr	↑
Vessels Handled	7	5	11	↑
Workforce	192	251	300	↑

WHAT THIS MEANS FOR SHAREHOLDERS
The Company has moved from a period requiring fundamental strengthening to a phase of measurable growth, improved profitability, increased project execution and expanded organizational capability.

From Foundation to Scale

The chronology matters. FY 2023–24 provides the baseline; the leadership transition occurred on 15 November 2024; FY 2024–25 represents the initial phase of strategic intervention; and FY 2025–26 is the first full financial year in which the impact of these initiatives could be demonstrated at scale.

Stage	Focus	What it represents
FY 2023–24	BASELINE	Company at an earlier stage of financial and operational performance.
15 NOVEMBER 2024	NEW LEADERSHIP	Present Board assumes responsibility under the leadership of Mr. V. Manoj Kumar Prabhu.
FY 2024–25	TRANSFORMATION BEGINS	Strategic restructuring, professionalization, strengthening of operations and human capital.
FY 2025–26	FIRST FULL YEAR OF EXECUTION	Financial performance, project volumes and organizational capabilities show significant improvement.
FY 2026–27 C BEYOND	SCALE C EXPANSION	Infrastructure expansion, larger projects, stronger defense/commercial portfolio and Vision 2030.

A DELIBERATE APPROACH

The objective was not simply to pursue growth, but to build the organizational capability required to sustain growth through stronger systems, disciplined execution, professional management, better resource utilization and customer confidence.

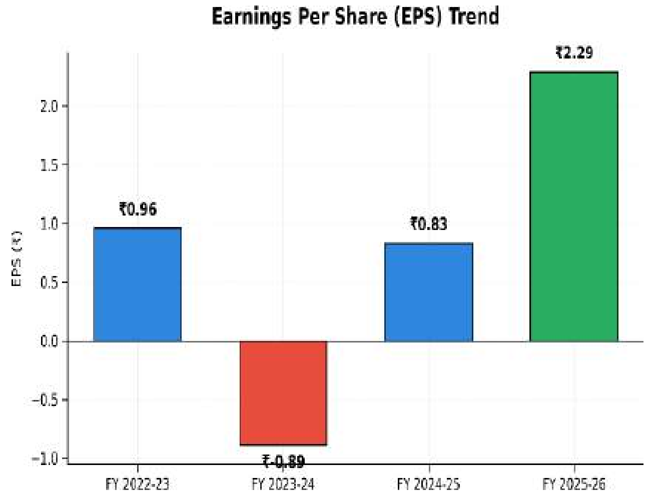
Financial Transformation

₹ Crore unless stated otherwise	FY 2024–25	FY 2025–26	Change
Revenue from Operations	₹24.23 Cr	₹51.02 Cr	+₹26.99 Cr
Net Profit	₹3.33 Cr	₹9.14 Cr	+₹5.81 Cr
EPS	₹0.83	₹2.29	+₹1.46

Change of management from Nov-2024 onwards

Financial performance snapshot

EPS trend: FY 2022–23 to FY 2025–2c



Revenue more than doubled from FY 2024–25 to FY 2025–26, while net profit increased by approximately 175%. The improvement in EPS from a negative ₹0.89 in FY 2023–24 to ₹2.29 in FY 2025–26 further demonstrates the strengthening of shareholder value.

MANAGEMENT PERSPECTIVE

The improvement in these indicators provides encouraging evidence that the organizational and operational measures undertaken during the transition are beginning to translate into stronger financial outcomes.

Operational Transformation

Operational Indicator	FY 2024–25	FY 2025–26	Growth (%)
Total Vessels Handled	5	11	**120%**
Indian Navy Vessels	2	4	**100%**
Indian Coast Guard Vessels	2	5	**150%**
Private / Commercial Vessels	1	2	**100%**

The number of vessels handled more than doubled from 5 to 11 in one year. More importantly, the Company increased its engagement with highly demanding government maritime organizations, including the Indian Navy and Indian Coast Guard.

CAPABILITY, NOT JUST VOLUME

The expansion of the project portfolio has been supported by a deliberate strengthening of operational leadership, including the induction of experienced professionals with Indian Navy and Indian Coast Guard backgrounds into senior operational and managerial roles.

Their experience in disciplined maritime operations, maintenance, safety, planning and execution has contributed to a more structured operating environment focused on accountability, productivity and efficiency.

Milestones That Expanded Our Capability

Milestone	Strategic Significance
INS Kabra	Largest and most complex naval vessel handled by SBSL to date.
ICGS Abhinav	Complex engineering and short-refit capability.
MV Ubaidulla	Commercial repair, underwater refurbishment and balloon-docking capability.
ICGS C-441	Kochi's first tandem-method docking; capability to dock and undock using the tandem method.
Navy Projects	Increased from 2 to 4 vessels.
Coast Guard Projects	Increased from 2 to 5 vessels.
Total Vessels	Increased from 5 to 11.

Operational milestone

ICGS C-441

Sea Blue Shipyard achieved another significant operational milestone by successfully executing Kochi's first tandem-method docking, subsequently establishing the capability to dock and undock a vessel using the tandem method.

Successful Completion of Vessels – 2025-26

Indian Naval Vessel F B PRADAYAK

For the first time, the Directorate of Naval Headquarters (DNA) in New Delhi has granted official approval for the docking plan of a defense vessel, specifically an Indian Navy and Indian Coast Guard ship. This approval pertains to the Indian Naval Vessel FB Pradayak, marking the inaugural official Airbag Docking of a defense vessel in India.

ICGS Apoorva

Completion Status: Completed

ICGS Savitri Bai Phule, a fast patrol vessel of the sarojini-class under the Indian coast guard, recently entered a 45-day emergency dry-docking schedule. The vessel was docked to undertake its five-yearly waterjet routines. The scope of work includes critical underwater maintenance activities such as hull inspection, renewal of cathodic protection systems, minor hull plating repairs, and other essential afloat tasks required to maintain the vessel's operational preparedness

FC Neelam - Ferry Craft

Owner: Naval Ship Repair Yard

Work Done: Short Refit

Work Period: 15th Aug 25 to 15th Dec 25

Completion Status: Completed

FC Neelam is a 218-ton ferry craft designed to transport personnel and materials to ships at anchor and at berth. The major works in the refit include extensive hull and superstructure plate renewal, with approximately 12 tons of plate renewal completed.

INS Kabra

The successful handling of INS Kabra, a 49-metre, 320-ton High-Speed Patrol Vessel of the Indian Navy, marked an important transition in the Company's capabilities. The project represented the largest and most complex naval vessel handled by Sea Blue Shipyard to date.

The project also represents Sea Blue Shipyard’s first medium refit of INS Kabra, reinforcing the yard’s ability to take on structured defense refit packages with stringent quality and execution requirements.

MV Ubaidhulla

Owner: ACN Logistics

Scope of Work: Underwater Routines

Work Period: 13 Nov 2025 to 13 Feb 2026

Completion Status: Completed

MV Ubaidhulla is a general cargo vessel previously operated under the Union Territory Administration for service to the Lakshadweep islands. The vessel has now been taken over by ACN Logistics for operations in the Andaman and Nicobar Islands.

Capability recognition and approvals

The Company's expanding technical capability has also received formal institutional recognition. Sea Blue Shipyard was registered by the Directorate of Fleet Maintenance, Naval Headquarters / Ministry of Defense for undertaking fully offloaded SR/NR/MR refits of FAC and INSV Class vessels, with registration dated 21 October 2025 and a three-year validity period. The Company also received official approval for a defense-vessel balloon-docking plan, marking an important step in establishing airbag docking capability for defense vessels in India.

These developments, together with the in-house fabrication of a 250-ton slipway cradle, demonstrate that capability building is being translated into recognized, deployable ship-repair infrastructure.

ONE PROJECT, ONE CAPABILITY
Each of these milestones represents not only a project completed, but a capability added to the Company.

Total manpower growth

Our workforce has grown significantly as the Company's project portfolio and operational requirements have expanded. However, our focus has not been manpower growth alone.

We have simultaneously invested in skilled technical professionals, maritime and engineering specialists, experienced operational leadership, Business Development professionals, trainees and developing talent, employee engagement, training, career development, recognition and retention.

THE ORGANISATION WE ARE BUILDING
We have consciously invested in people who can build systems, not merely execute individual projects. The objective is to create a team capable of supporting substantially greater scale over the next decade.

Strengthening Customer s Institutional Confidence

At Sea Blue Shipyard Limited, we recognize that our employees are the driving force behind our success. During the year, we continued to foster a culture of engagement, collaboration and employee well-being across the organization. Regular management-employee interactions strengthened communication, encouraged idea-sharing and aligned teams with the Company's strategic objectives. These initiatives supported continuous improvement, enhanced productivity and reinforced a strong sense of teamwork and belonging among our workforce.

Management and operational engagement

The Company's growing relationship with the defense establishment is an important strategic development. During the year, the Company engaged with senior leadership of the Indian Navy and Indian Coast Guard, including discussions around ongoing projects and opportunities for deeper collaboration.

CMD with Rear Admiral Rajneesh Sharma, Admiral Superintendent of Yard (ASY), Naval Ship Repair Yard, Kochi

A notable highlight was the growing engagement between SBSL and the Indian Navy. During the year, I had the privilege of meeting Rear Admiral Rajneesh Sharma, Admiral Superintendent of Yard (ASY), Naval Ship Repair Yard, Kochi, to review the progress of the INS Kabra refit project and discuss avenues for deeper collaboration. These interactions reflected the confidence placed in SBSL's technical capabilities and our shared commitment to delivering mission-ready assets through excellence in naval engineering and project execution.

The increasing number of assignments from these institutions is itself an important validation of the Company's growing reputation. Customer appreciation for quality workmanship, schedule adherence, safety standards and technical execution gives us confidence that the foundations being built today can support significantly larger opportunities tomorrow.

Beyond Operational Achievements

The year under review was also marked by milestones that strengthened stakeholder relationships and reinforced our commitment to safety, social responsibility and employee welfare.

Strengthening Emergency Medical Infrastructure

Safety continues to remain the cornerstone of our operations. In line with our commitment to creating a safe and secure working environment, SBSL inducted a state-of-the-art Advanced Life Support (ALS) Ambulance into our permanent medical facility. This significant addition strengthens our emergency preparedness and enhances our ability to provide immediate medical assistance to employees, subcontractors, customers, and visitors. The initiative forms part of our broader vision of achieving the highest standards of occupational health and safety across all shipyard operations.

Management Support Team Members

Our commitment to people extends beyond the workplace. During the year, SBSL provided support and assistance to Mr. Sijo David following his unfortunate accident, reflecting the Company's culture of care and mutual support. These efforts underscore SBSL's commitment to employee well-being while reinforcing its broader focus on stakeholder engagement, safety, social responsibility and sustainable growth.

People, Recognitions Welfare

Employee engagement, recognition and welfare continued to be priorities. The Company maintained initiatives such as Employee of the Month, recognition of teams demonstrating exceptional commitment and support for employees facing personal difficulties. These efforts reinforce a culture of care, accountability, collaboration and performance.

Employee welfare was further supported through a new labour accommodation facility near the North Yard, with residential blocks and dedicated kitchen, dining and sanitation facilities. The Company also organized a health check-up camp covering general medicine, eye examinations and basic screening, while the POSH Committee continued periodic reviews to reinforce a safe, respectful and compliant workplace.

Community Responsibility

During the year, the Company extended financial assistance to Sree Sudheendra Medical Mission under its Corporate Social Responsibility initiatives, reflecting the belief that sustainable growth should be accompanied by positive social impact.

Investing in the Next Phase of Growth

Sea Blue Shipyard infrastructure development programme

The Company is continuing to invest ahead of demand at the Vypin yard, with Capital Work in Progress rising to **₹36.27** crore. North Yard concreting has been completed and is already in service; the telescopic slipway shed is in its final stages; Main Yard concreting and paver interlock laying are progressing. During the year, the Company also inaugurated a new office building and commissioned a 155 KWP rooftop solar installation, supported by a new 500 KVA generator, a 20-ton crane and an in-house heavy lathe facility. These investments are designed to strengthen capacity, improve safety and productivity, and position the yard to support the next phase of growth.

North Yard Concreting	Provide a durable, level, heavy-duty working surface for vessel handling, storage, maintenance and movement of heavy equipment; improve efficiency and safety

Infrastructure project status snapshot

These investments are intended to increase docking capability, improve safety, strengthen material handling, enhance yard utilization and enable the Company to undertake a larger number of projects simultaneously.

The addition of renewable-energy infrastructure is also an important step toward greater energy self-reliance and lower operating costs, while the new equipment and in-house fabrication capability reduce external dependence and support safer, more efficient execution.

Vision 2030-31

Our ambition is not limited to growing from one financial year to the next. The Company has articulated a long-term Vision 2030-31 of building a ₹1,000 crore enterprise.

Achieving that ambition will require more than financial growth. It will require People, Infrastructure, Systems, Technology, Customer Confidence, Capital and Discipline.

The Market Ahead

The maritime sector presents a significant opportunity for Indian ship repair and shipbuilding companies. India's growing emphasis on maritime security, indigenous defense capability, fleet modernization and domestic ship repair infrastructure creates a favourable long-term environment for companies with the necessary technical capabilities and execution discipline.

At the same time, the industry remains competitive and capital intensive. The Company therefore remains focused on balancing scale with systems, and opportunity with disciplined execution.

Shareholder s Governance Update

Update on Dividend Distribution and Share Capital Regularization

The Board recognizes the importance of the dividend declaration for our shareholders and remains fully committed to facilitating its payment. In view of certain matters relating to the difference between the authorized and paid-up share capital, which are presently before the Hon'ble NCLT, the Company has, as a matter of prudence and in the interest of full legal and regulatory compliance, kept the dividend distribution in abeyance pending completion of the requisite formalities.

Importantly, an amount equivalent to the declared dividend has been earmarked and preserved for this purpose, reflecting the Board's clear intention to ensure that the dividend reaches the eligible shareholders once the applicable legal requirements and directions are duly complied with.

The Board is actively pursuing an early resolution of the matter and sincerely appreciates the patience, understanding and continued trust of our shareholders.

Looking Forward

The performance of FY 2025–26 gives us confidence, but it also raises the bar for the years ahead. As FY 2026–27 progresses, the Company is targeting approximately ₹80 crore in turnover while continuing to build the foundation for Vision 2030.

- Complete ongoing infrastructure projects.
- Increase yard utilization and project throughput.
- Strengthen our defense and commercial customer base.
- Develop specialised technical capabilities.
- Recruit and retain high-quality professionals.
- Improve productivity and operational efficiency.
- Pursue larger and higher-value projects.
- Build strategic collaborations.
- Strengthen systems, governance and risk management.
- Create sustainable and increasing value for our shareholders.

FY 2026–27 OUTLOOK
The Company is targeting approximately ₹80 crore in turnover while continuing to build the foundation for the longer-term Vision 2030.

Shareholders Our Strength

The progress achieved during this period is encouraging, but we recognize that the journey is still at an important stage.

The transformation of a shipyard is not achieved through a single project or a financial year. It requires a consistent strategic direction, disciplined execution, investment in people and infrastructure, and the ability to convert opportunities into sustainable business.

The results achieved during FY 2025–26, together with the capabilities now being developed, provide a strong foundation for the next phase of growth.

As we move forward, our focus will remain on preserving this momentum, strengthening the organization and building the capacity required to pursue larger and more valuable opportunities.

I remain deeply conscious that the position entrusted to me carries a responsibility not only to manage the Company of today, but to build the Company that our shareholders expect to see tomorrow.

THE FOUNDATION HAS BEEN STRENGTHENED.

The organization is becoming stronger.

The capabilities are expanding.

The opportunity is significantly larger.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No.07: Increase in Authorised Share Capital and Consequent Alteration of Capital Clause of the Memorandum of Association.

The existing Authorised Share Capital of the Company is ₹40 crore (Rupees Forty Crore only), comprising 4 crore (Four Crore) Equity Shares of ₹10/- (Rupees Ten only) each. In view of the Company's growth and expansion plans and with a view to providing adequate flexibility to meet its future capital and funding requirements, it is proposed to increase the Authorised Share Capital of the Company by ₹40 crore (Rupees Forty Crore only), from ₹40 crore to ₹80 crore, by creation of an additional 4 crore (Four Crore) Equity Shares of ₹10/- each.

The proposed increase in the Authorised Share Capital will provide the Company with greater flexibility and adequate headroom to raise additional capital through the issue of equity shares and/or other securities, as may be permitted under the applicable provisions of the Companies Act, 2013 and the rules made thereunder, from time to time. The proposed enhancement is intended to facilitate the Company's future growth, expansion, business initiatives and funding requirements.

Consequent upon the proposed increase in the Authorised Share Capital, the Capital Clause of the Memorandum of Association of the Company is required to be altered to reflect the revised Authorised Share Capital of the Company.

The Board of Directors, at its meeting held on 24 August 2026, considered and approved the proposal for increase in the Authorised Share Capital of the Company from ₹40 crore to ₹80 crore and alteration of the Capital Clause of the Memorandum of Association accordingly. The Board recommends the proposed resolution for approval of the Members.

None of the Directors, Key Managerial Personnel of the Company or their respective relatives is concerned or interested, financially or otherwise, in the proposed resolution, except to the extent of their respective shareholding, if any, in the Company.

The Members are therefore requested to consider and approve the proposed resolution by casting their vote in favour of the same.

B. SPECIAL BUSINESS:

Item No.01. To Amend the Article 68 of the Articles of Association

The existing **Article 68 of the Articles of Association ("AOA")** of the Company provides for the payment of sitting fees to the Directors for attending meetings of the Board of Directors and its Committees, along with reimbursement of travelling expenses and other out-of-pocket expenses incurred by them in connection with such meetings and in relation to other work of the Company.

With a view to providing greater flexibility in determining the sitting fees payable to the Directors from time to time, it is proposed to **amend Article 68 of the AOA** of the Company.

The proposed amendment will enable the Board of Directors to determine, from time to time, the sitting fees payable to each Director for attending meetings of the Board of Directors or its

Committees. It will also provide for the payment and/or reimbursement of travelling expenses and other out-of-pocket expenses reasonably incurred by the Directors in connection with attending such meetings or undertaking any other work or business of the Company, as may be determined by the Board.

The proposed amendment is intended to provide the Company with appropriate flexibility to determine the remuneration and expense reimbursement framework applicable to the Directors, while ensuring that such payments remain subject to the applicable provisions of the Companies Act, 2013 and other applicable laws.

None of the Directors, Key Managerial Personnel of the Company or their respective relatives is concerned or interested, financially or otherwise, in the proposed resolution, except to the extent of their entitlement to sitting fees and reimbursement of expenses, as may be applicable.

The Members are therefore requested to consider and approve the proposed **Special Resolution**.

Item No: 02. Approval of Managerial Remuneration up to 11% of the net profits of the Company for the Financial Year 2025-26

The Members are informed that **Section 197(1) of the Companies Act, 2013** ("Act") provides that the total managerial remuneration payable by a public company to its Directors, including the Managing Director and Whole-time Director, and its Manager, shall not exceed **11% of the net profits** of the Company for any financial year, computed in accordance with **Section 198 of the Act**.

Further, in terms of Section 197(1) of the Act, the remuneration payable to any one Managing Director, Whole-time Director or Manager shall ordinarily not exceed **5% of the net profits** of the Company for any financial year. However, remuneration in excess of the aforesaid limit may be paid with the approval of the Members by way of a **Special Resolution**, subject to the applicable provisions of the Act and **Schedule V thereto**.

In view of the responsibilities entrusted to, and the significant contribution of, the Managing Director towards the management, strategic direction and overall performance of the Company, the Board of Directors considers it appropriate and in the best interests of the Company to seek approval of the Members for payment of remuneration to the Managing Director up to **11% of the net profits of the Company for the financial year 2025-26**, subject to the provisions of the Act, including Schedule V, and other applicable laws.

The proposed approval will also provide an overall ceiling of **11% of the net profits of the Company** for the managerial remuneration payable to the Directors and Managerial Personnel of the Company for the financial year 2025-26, as may be applicable under the Act.

The actual remuneration payable to the Managing Director shall be determined by the Board of Directors, from time to time, within the limits approved by the Members and in accordance with the applicable provisions of the Act, Schedule V thereto and other applicable laws.

The Board of Directors recommends the proposed **Special Resolution** for approval of the Members.

Item No:3. Approval for Capital Expenditure and Borrowings for Ongoing and Upcoming Projects

The Company is presently undertaking various **ongoing and proposed projects**, which involve substantial capital expenditure towards project development, business expansion, acquisition of assets, construction, installation and other related activities.

In order to meet the capital expenditure requirements of the Company and ensure the timely execution and implementation of its ongoing and proposed projects, the Company proposes to augment its financial resources through additional borrowings.

Accordingly, pursuant to **Section 180(1)(c) of the Companies Act, 2013** ("Act"), the Board of Directors proposes to obtain the approval of the Members to borrow such additional amounts as may be required for the Company's business purposes, subject to a maximum amount of **₹28 crore (Rupees Twenty-Eight Crore only) over and above the aggregate of the paid-up share capital, free reserves and securities premium of the Company**, or such other applicable borrowing limits as may be prescribed under the Act from time to time.

The proposed borrowing limit will provide the Company with the necessary financial flexibility to mobilise funds in a timely and efficient manner and enable the Board of Directors to avail appropriate credit facilities from banks, financial institutions and other lenders, on such terms and conditions as may be considered appropriate and in the best interests of the Company.

The Board of Directors recommends the proposed **Special Resolution** for approval of the Members.

Segment Reporting

In the absence of more than one distinguishable business/ geographical segment, segment information is not given.

Taxes on Income

Income tax expense comprises current tax and deferred tax charge or credit. The current tax is determined as the amount of tax payable in respect of the estimated taxable income of the period. The deferred tax charge or credit is recognised using prevailing enacted or substantively enacted tax rates. Where there are unabsorbed depreciation or carry forward losses, deferred tax asset is recognised only if there is virtual certainty of realisation of such assets. Other deferred tax assets are recognised only to the extent there is reasonable certainty of realisation in future. Deferred tax assets are reviewed at each Balance Sheet date based on the developments during the year and available case laws, to reassess realisation/liabilities.

Impairment of Assets

The carrying amount of assets is reviewed at each Balance Sheet date to check whether there is any indication of impairment based on internal/external factors. An impairment loss will be recognised wherever the carrying amount of an asset exceeds its estimated recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to the present value using the weighted average cost of capital.

Provisions, Contingent Liabilities and Contingent Assets

The company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure for a contingent liability is made when there is a possible obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are neither recognised nor disclosed in the financial statements.

36. In the opinion of the management , the current assets, loans and advances, long term capital advances, shall realise the value as shown in the balance sheet, if realised in the normal course of business.

37. Balance of some of the debtors, creditors & loans and advances are subject to confirmation/reconciliation.

38. The management has a process of identifying vendors who fall under the definition of micro and small enterprises, as defined under MSME Act, 2006 based on the information provided by the vendors.

39. There are no transactions with struck off companies under section 248 or 560 of the Companies Act 2013/ 1956.

40. No charges or satisfaction is yet to be registered with Registrar of Companies beyond the statutory period.

41. The Company does not have any subsidiaries and hence it is in compliance with the number of layers prescribed under clause (87) of section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017.

42. There is no Scheme of Arrangements that has been approved in terms of sections 230 to 237 of the Companies Act 2013

43. The company has not advanced/loaned/invested or received funds (either borrowed funds or share premium or any other sources or kind of funds) to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

44. There are no transactions that are not recorded in the books of account to be surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

45. The statements of current assets filed by the company with the bank are in agreement with the books of accounts.

46. The company has complied with the provisions of section 135 of the Companies Act 2013. The entire obligation of Rs. 7,13,024 for the year has been fully spent.

47. The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year

48. The Ministry of Corporate Affairs (MCA) has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the companies (Accounts) Amendment Rules 2021 requiring companies, which use accounting software for maintaining its books of accounts, to use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of accounts along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Company uses accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the accounting software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention for the financial year ended March 31, 2026. This preservation ensures traceability of all accounting transactions and changes made therein, in compliance with the statutory requirement to retain such records for a minimum period of eight years.

49. The Government of India has notified the Labour Codes, the provisions of which have become applicable with effect from 21 November 2025. However, as at the reporting date, the State-specific Rules required for operational implementation in the State of Kerala have not been notified. Accordingly, the Company continues to compute employee compensation and related statutory contributions, including Provident Fund, Employees' State Insurance, Bonus and other applicable employee benefits, based on the existing salary structure and the extant statutory framework.

The management is in the process of restructuring the employee compensation framework to align with the requirements of the Labour Codes and expects to implement the revised salary structure upon operational applicability of the Labour Codes in the State and completion of the implementation process.

For the purpose of determining the gratuity obligation as at the balance sheet date, the Company has provided the actuary with employee data considering the proposed revised salary structure in accordance with the Labour Codes. Accordingly, the actuarial valuation includes the impact of such revised salary structure and the resulting gratuity liability, including the past service cost amounting to Rs. 9,64,645 determined by the actuary, has been recognised in these financial statements.

The management believes that no additional liability in respect of Provident Fund, Employees' State Insurance, Bonus or other statutory employee benefits is presently required to be recognised based on the legal position prevailing in the State as at the reporting date. Any consequential financial impact, if required, shall be recognised in the period in which the revised compensation structure is implemented or the relevant statutory provisions become operational.

INDEPENDENT AUDITOR'S REPORT

The Members of
SEA BLUE SHIPYARD LIMITED
Kochi

Opinion

We have audited the accompanying financial statements of **SEA BLUE SHIPYARD LIMITED**, which comprise the Balance Sheet as of March 31, 2026, and the Statement of Profit and Loss for the year then ended, Cash Flow Statement for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by The Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2026, its profit and Cash Flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of The Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the following:

i. **Reference is drawn to note no. 49** to the accompanying financial statements regarding the implementation of the Labour Codes. As stated there in, while the company is in the process of implementing the revised employee compensation structure and the consequential statutory compliances, the gratuity liability has been recognised based on an actuarial valuation carried out using the proposed revised salary structure, resulting in recognition of the actuarial liability, including past service cost, in these financial statements. The company has represented that the revised compensation structure and the consequential statutory compliances are proposed to be implemented from October 2026.

ii. **Reference is drawn to Note No. 3.1** to the accompanying financial statements regarding the historical discrepancy between the Authorised Share Capital and the Issued Share Capital of the Company. As explained therein, the discrepancy pertains to share issuances made under the previous management. The Company has obtained a 'Share Capital Audit Report' from an independent Practising Company Secretary, who has disclaimed his opinion due to inadequate documentation and inconsistent records. The management is examining the historical records and exploring appropriate legal remedies, including rectification of the Register of Members under Section 59 of The companies Act, 2013 before the National Company Law Tribunal. No fresh shares have been issued during the year.

Our Opinion is not modified in respect of the above matter.

Other Information

The company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for the safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will

always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

JVR & ASSOCIATES KOCHI 682 016

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. **As required by section 143(3) of the Act, we report that:**

   a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

   b. In our opinion proper books of account as required by law have been kept by the company so far as it appears from our examination of those books.

   c. The Balance Sheet and Statement of Profit and Loss, dealt with by this report are in agreement with the books of account.

   d. In our opinion the aforesaid financial statements comply with Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

   e. On the basis of written representations received from the directors as on March 31st, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31St, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

   f. The company has made a provision for performance linked managerial remuneration for the year ended March 31, 2026. The Board of Directors, subsequent to the balance sheet date, has approved remuneration to the Managing Director at the rate of **11%** of the net profits of the company computed in accordance with Section 198 of The Companies Act, 2013, which is subject to the approval of the members under Section 197 read with Schedule V of the Companies Act, 2013. As at the date of this report, such members' approval is pending.

JVR & ASSOCIATES KOCHI

2. **With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:**

(i) The company does not have pending litigations which would impact its financial position except the following:

a) New Indian Assurance Company Limited and Majas Travels and Tourism and Logistics Private Limited have filed a suit against the company, seeking recovery of an amount of ₹2,57,50,000/- along with interest at 12% per annum. Based on legal opinion, the management is not expecting them to materialise and hence no provision is made in the accounts.

b) One of the former directors has filed a case in the National Company Law Tribunal (NCLT) recovery of ₹2,87,87,774/- as compensation. The management, based on legal advice and internal assessment, is of the opinion that the claim is not tenable and hence no provision is made in the accounts.

c) The Company has filed an appeal against the order issued by the Employees' Provident Fund Organisation (EPFO) towards penal damages amounting to **₹23,74,067**. The Company has obtained an interim stay against recovery of the said amount and the appeal is pending adjudication before the appropriate authority. The Company had recognised a provision for the said liability in the financial statements of the previous year and no further provision has been considered necessary during the current year.

d) A Company Petition (CP No. 41/2024) has been filed before the Hon'ble National Company Law Tribunal, Kochi Bench, under Sections 241 and 242 of the Companies Act, 2013 by certain shareholders including Monson Augustine alleging oppression and mismanagement against the Company and others. The matter is pending adjudication before the Tribunal and was last adjourned to **09 June 2026**. Based on the legal advice obtained and the current status of the proceedings, the management believes that no provision is required in respect of the said matter.

(ii) The company does not have any long-term contracts requiring a provision for material foreseeable losses.

ANNEXURE (B) REFERRED TO IN INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SEA BLUE SHIPYARD LIMITED ON FINANCIAL STATEMENTS OF THE COMPANY FOR THE YEAR ENDED 31ST MARCH, 2023.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of The Companies Act, 2013

We have audited the internal financial controls over financial reporting of Sea Blue Shipyard Limited as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company have adequate internal financial controls system over financial reporting except that:

a) The controls over inventories need improvement.
b) Identification, evaluation and timely implementation of changes in statutory and labour laws so that consequential changes in employee compensation structure and statutory compliances are implemented within the prescribed timelines.
c) In the maintenance and reconciliation of statutory records relating to share capital. Historical records relating to certain share issuances were found to be incomplete and inconsistent, resulting in an unreconciled difference between the authorised and issued share capital.
d) The scope and coverage of Internal Audit needs to be improved.

The prevailing internal financial controls over financial reporting were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
